

ESENAVY DIGITAL

PORTFOLIO

—

A little about us!

Esenay Digital started with the notion of educating brands and businesses about the benefits of digital marketing and how to boost your business with the help of it.

Founded by 2 young marketing enthusiasts, Esenay has always exceeded its clients' expectations and generated revenue for their business.

Our core values are HONESTY & ETHICS. We believe that by being honest about our work and practices, we can instil more trust and with our considerate approach, we can work ethically.

Key Objectives

FUNCTIONALITY FOCUSED APPROACH

Enhance website functionality through innovative design concepts and easy-to-use interface.

PERFORMANCE OPTIMIZATION

Optimize website performance for a smooth user experience and increased traffic.

TECHNOLOGICAL PROGRESS

Implement cutting-edge technologies to stay ahead in the competitive market.

Website Development Process

DESIGN CONCEPTUALISATION

A layout is made to ensure the client and us are thinking in the same direction.

WEBSITE DEVELOPMENT

After the layout, the actual development starts with CMS or coding.

SEO OPTIMISATION

In the end, the website is optimised to enhance the reach and visibility on Google search engine.

4000%

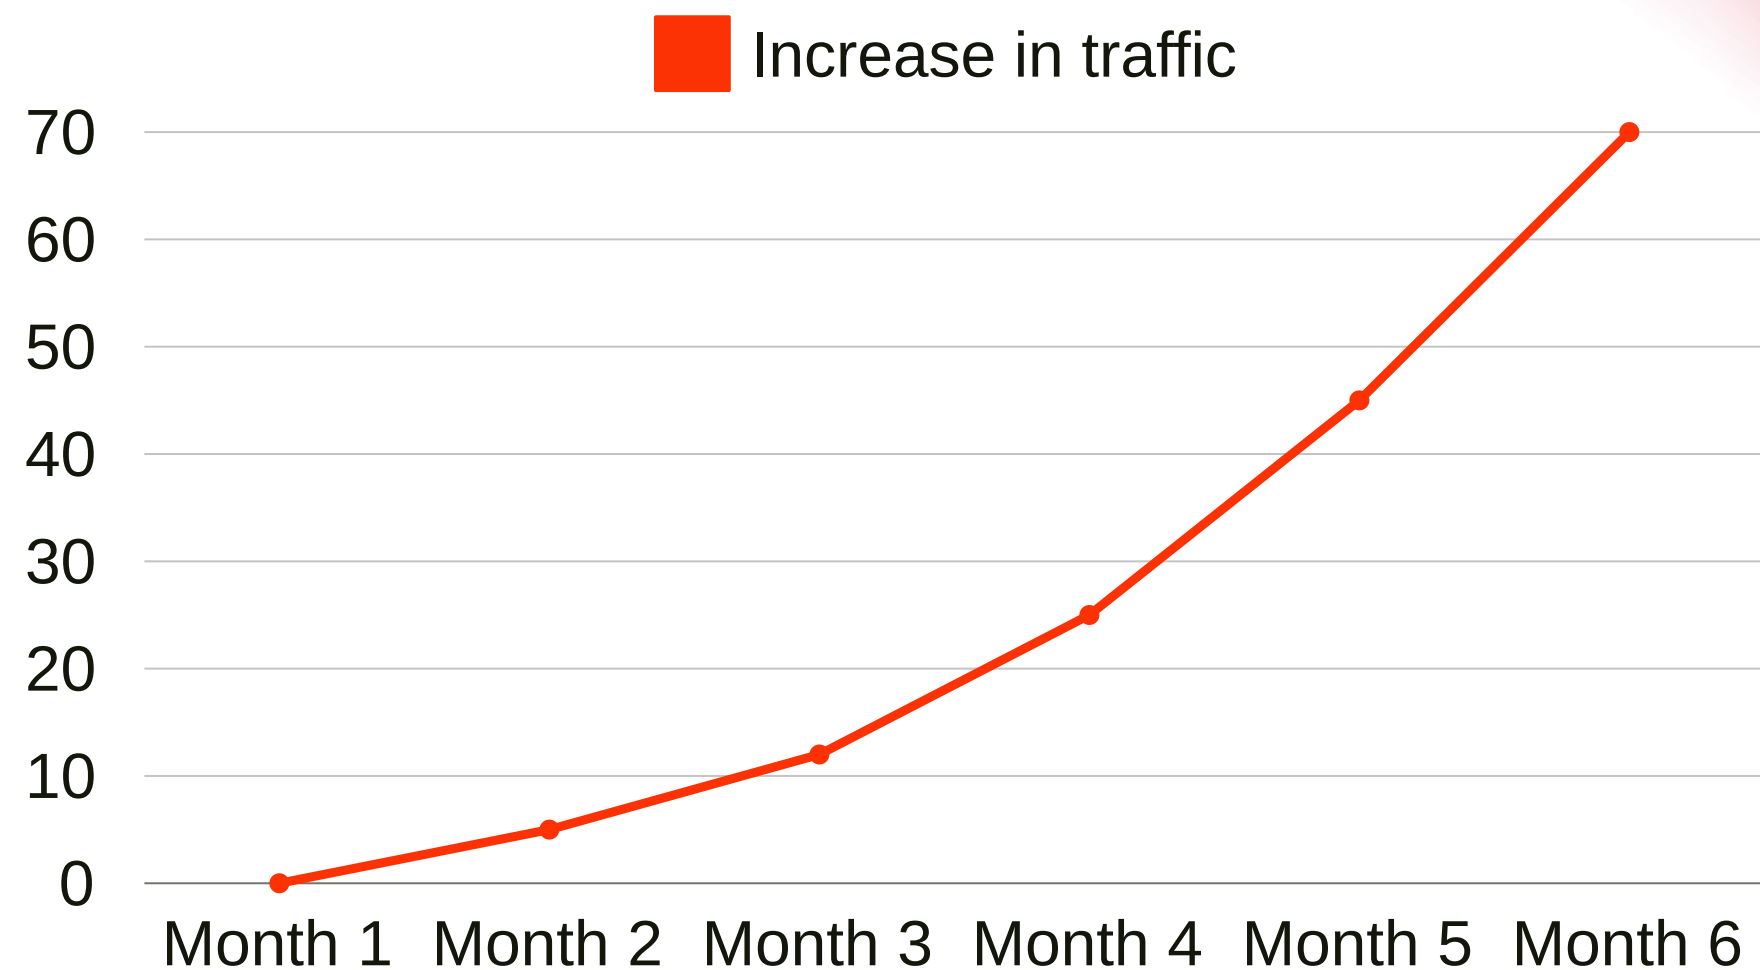

INCREASE IN CONVERSIONS

A good UX/UI design along with right SEO techniques have been proven beneficial for businesses of all kinds.

Website Growth

Growth Trend

Visualization of website performance over time showing successful development trends and SEO activity.

Esenay did a fantastic job for one of my new startup ProCare Foods. Their team is very innovative, energetic and welcoming, making you feel secure. No issues till date for after sales service. Overall, it has been a very nice and friendly experience to work with Esenay. Warmly recommended business.

Il nuovo modo di pagare e gestire il personale

Paga stipendi, noleggia computer e approva ferie in un posto unico. Un'esperienza magica, affiancato da un consulente del lavoro dedicato alla tua azienda

Prova Jet HR

Guarda come funziona

The screenshot displays the Jet HR interface. On the left is a sidebar menu with options: Home, Personale, Assenze, Rimborsi spese, Cedolini, Documenti, and Report. The main area shows a 'Da pagare' (To pay) summary for July: 'Stipendi luglio' with a total of €14,951 and a total F24 of €8,951. Below this is a table of employee payments:

Dipendente	Bonus	Rimborsi	Netto	Var. ↓
Valeria Biondi Resp. Marketing	-	€ 55	€ 2.000	↑ 15%
Mirco Rossi Resp. Risorse umane	€ 250	-	€ 2.500	↑ 7%
Michele Carpi Sviluppatore IT	€ 250	17	€ 2.200	↑ 2%
Paola Pacchioni Consulente	€ 170	-	€ 2.200	↑ 1%
Antonio Polino Sviluppatore	-	-	€ 1.800	↓ 1%
Carlo Antoni Amministrazione	€ 25	-	€ 1.900	↓ 3%

A modal window titled 'Aggiungi bonus' is open over the table, showing an input field with '€ 250'. To the right, a mobile view of the 'Richiesta di ferie' (Holiday request) form is shown for Marina Giorgi, with a note indicating 8 days of holiday balance and a period from August 22nd to 26th, 2023.
